#### - TURNING LEADS INTO SALES

Plan for your post show follow-up and put all the pieces of your plan in place before you leave for the show. Studies reveal that 80% of exhibitors do not follow up, so take your competitors' customers and increase your show's Return on Investment!

Sort your leads according to their business potential (A, B or C leads) or type of information requested. Hold your staff accountable by requiring a written record of each lead's status.

Research also shows that 50% of attendees who passed your stand without stopping nonetheless took away an impression of your exhibit. Keep show information on your internet site for three months after the event.

#### PRESS & PUBLIC RELATIONS

The Press Office is located in the back of the Exhibition Hall in the Exhibition Organisers Office.. It will be open during show opening hours. Our Public Relations Consultants will provide information on the Show and on individual Exhibitors to all the media. The office will be manned at all times and Exhibitors are encouraged to provide the Press Office with as much newsworthy information about their exhibits as soon as possible.

The public address system is provided for the use of the Organisers and is not available to Exhibitors or Visitors except in emergencies.

#### PUBLICITY MATERIAL DISTRIBUTION

Exhibitors are not allowed to distribute leaflets, etc., anywhere within the Exhibition premises or grounds, except at their own stands, and they must not for this or any other purpose encroach upon the aisles or open spaces or do anything which may cause obstruction.

All portable exhibits, valuable items and any graphics or artwork required for future use, should be removed from the Hall immediately at official closing time in order to safeguard against theft. Special instructions will be issued to cover the late night break-down period.

UNDER NO CIRCUMSTANCES ARE EXHIBITORS PERMITTED TO REMOVE ANY GOODS FROM THEIR STAND BEFORE THE SHOW CLOSES.

#### SECURITY

Exhibitors are reminded that although the Organisers take every precaution to ensure the security of the Show, they or any of the contractors cannot take responsibility for losses or damage that occur during build-up, open hours or dismantle. Any items belonging to Exhibitors which are required for future use should be removed from the hall immediately after the Show closes.

#### SHELL SCHEME STANDS

Included in the price of SHELL SCHEME STANDS are dividing walls (2.5m high), carpet, name panel and 150 watt spotlight per six square metres with a minimum of two spots per stand. Stands are constructed of modular framework in widths of 950mm. Stand furniture and power points are not included in the price.

#### **SPACE-ONLY STANDS**

Should you propose to build a stand with height dimensions of more than 2.5 metres, 2 scaled copies of the proposed plan must be submitted to the Organisers 30 days prior to the opening of the exhibition. Please note that approval for such plans must be agreed by the Organisers and such approval shall be notified in writing. Such stands may be built to a maximum of 4m.

#### SPACE-ONLY STANDS ADJOINING A SHELL SCHEME STAND

Any walls that are built above the height of the Shell Scheme Stand (2.5m) must be finished to an acceptable standard on both sides of the walls..

#### SPONSORSHIP OPPORTUNITIES

There are a variety of different sponsorship opportunities available at the Show. Details of these opportunities are available on request from the Organisers.

#### STAND APPEARANCE

In general stands should not exceed 2.5 metres in height and all materials used must be inherently non-flammable. Access to essential hall services must be left clear and all divider walls must be backed-up and present a clean appearance from the aisles and any adjoining stands. In particular enclosed structures should be so designed as not to detrimentally effect surrounding stands or the entire lay-out.

Some stands contain permanent structural features, i.e. PILLARS and others may contain amendments based on operational requirements. Any such variations are generally shown on the stand layout and Exhibiting Companies should note that stands are bought as seen and/or described. If you require a detailed drawing of your stand please ask.

In the event of a space only exhibitor wishing to make use of a neighbouring exhibitor's shell scheme wall, he must first obtain permission from the Shell Scheme contractor.

#### STAND APPROVAL

It is important that space only Exhibitors submit 2 copies of their stand floor plans to the Organisers for approval one month before Show opens.

#### STAND BOOKING FORM

Completed Stand Booking Forms (which includes Shell Scheme Stand Name Panel) must be returned to the Organisers immediately after stand location and size is agreed.

#### STAND DRESSING

For quick and simple stand dressing it is best to use Velcro (hook & loop) fasteners. Simply apply the velcro tabs (male and female) to your graphic panel and fix directly to the stand walls. Velcro can be purchased in most stationers or art supply shops. You can also order some directly from O'Brien Expo e: tony@obexpo.ie and of course they will also have some available for sale on site. Doublesided tape, glue or staples may not be used to fix graphics to the stand walls.

For heavier panels constructed of plywood or chipwood, we strongly recommend the purchase of special mild-steel straps, supplied complete with nuts and bolts. These straps will allow you hang your own panels on top of the stand walls. These straps may be purchased from the furniture contractor, O'Brien Expo in advance of the show. Please contact O'Brien Expo directly e: tony@obexpo.ie.

Under no circumstances may any display be nailed or screwed on the basic walls. Also panels may not be damaged with permanent self adhesive stickers or lettering. Any lettering or vinyl applied must be removed after the exhibition. A charge of €50 per panel will be made to cover the replacement cost of any panels damaged.

If you have any queries regarding stand dressing, please contact Tony at O'Brien Expo e: tony@obexpo.ie

#### WI-FI/BROADBAND

WiFi is available for exhibitors and visitors free of charge,

Hardwire Internet Connection is available on request to the Organisers, please email shane@bizex.ie two weeks in advance of the Show to arrange same.
